*2020-2021 Budgeted £18,000. Paid to date £17,657 which includes a discount of £505.00.

19. TO REVIEW THE TOWN COUNCIL'S CHARGES

The Responsible Financial Officer reported at the meeting of the Finance & Property Committee on 30th November 2020 that no increases in charges were proposed to go into the estimates/budget, however a new one-off charge of £20 per event for the use of electricity at events on the Market Place and water on the Kincroft was suggested.

Members discussed and it was Proposed by The Mayor, Seconded by Councillor Holford and

RECOMMENDED: THAT Wallingford Town Council does not increase charges this year but adds a charge for the use of electricity on the Market Place and water in the Kincroft for each booked event and that this should be introduced at a rate of £20 per day, this charge to be monitored to make sure that it covers costs.

Council to consider the RECOMMENDATION, RESOLUTION REQUIRED.

20. THE BOATHOUSE

The Responsible Finance Officer to update Council on the amount of rent arrears owed by Greene King for The Boathouse. Council to note that should arrears continue to accrue this will have a significant impact on the Council's finances and should be taken into account when considering the estimates/budgets for 2021/2022. The Council are seeking legal advice and considering options for the recovery of the debt.

21. ESTIMATES FOR 2021/2022

Council received the draft estimates/budgets for 2021/2022 in advance of the meeting.

- i) Members of the Finance & Property Committee considered the draft estimates/budgets at the meeting on 30th November 2020. (Minute 451 refers – draft). The Mayor suggested some areas where savings could be made thus reducing the overall increase in the precept from 9.24% to 5.61%. The Town Clerk voiced her concern regarding the recovery of the substantial outstanding debt that was owed to the Council, if this was not forthcoming it would leave a major shortfall in the Council's estimates. It was her advice not to try to cut costs from the estimates/budget as inevitably this would put further pressure on the general reserves if expenses were not anticipated and accounted for in the estimates/budget. It had already eaten into the General Reserves this year leaving very little money for emergencies. (A list of the savings agreed at the meeting forwarded to Councillors in advance of this meeting).
- ii) At the same meeting Members of the Finance & Property Committee were advised by Councillor Kidley of the cost and problems involved in restoring water to the Fountain in the Market Place. This was discussed and it was decided that this was not practical and therefore the cost should not be added into the precept.
- iii) Members further considered whether financial support should be given to Wallingford Radio. The Mayor spoke regarding support for Wallingford Radio and felt that the Council should be allocating some money in the estimates for this purpose. A discussion took place, and it was suggested that Council pay a sum for advertising and promotion to the radio station and pay for this upfront then review whether to continue this support next year. The Mayor suggested that this should be £500.

It was Proposed by Councillor Dolton, Seconded by Councillor Whelan and

RECOMMENDED: THAT Wallingford Town Council's amended estimates be put before Council on the 7th December for approval. **THAT** there should be no additional amount for the water fountain but there should be an additional amount of £500 payable to Wallingford Radio for Town Council advertising and promotion throughout the financial year

Council to consider the RECOMMENDATION, RESOLUTION REQUIRED.
