QUERY FROM PS - Can the SODC Local Plan 2011 be regarded as ‘up to date’ when there is an emerging SODC Local Plan under development?]

555 greenfield allocations in SOLP 2011. Under the SODC Emerging Local Plan the figure is additional 295 houses. How many sites have SODC allocated for housing.

[PS QUERY: This is a numerical field – do we add the two figures and state 850?]

Number of sites you propose to allocate - One housing, Site E (land at Winterbrook, north of A4130 Wallingford bypass). One employment, Site D (south of Hithercroft Industrial Estate)

9. Next meeting dates
